Subject: **EXTENSION OF THE HIPAA TRANSACTIONS AND CODE SETS  
COMPLIANCE DEADLINE TO OCTOBER 16, 2003**

In my memorandum to your Board, dated August 26, 2002, I indicated my intent to file for an extension of the Health Insurance Portability and Accountability Act of 1996 (HIPAA)-Transactions and Code Sets (TCS) compliance deadline of October 16, 2002. The electronic request for the formal extension was filed on September 27, 2002. The attached confirmation officially moves our compliance date to October 16, 2003.

We have confirmed that the State filed for an extension of the Transaction and Code Set compliance deadline. The extension by the State requires that the County be in a position to begin integrated testing with state agencies by April 2003.

If you have any questions, please contact me, or in my absence, Jonathan Williams at 213.974.2008.
